

**American Chemical Society is seeking a High School Mentor for U.S. National Chemistry Olympiad (USNCO) program for the 2024-2026 term.**

USNCO program is seeking high school chemistry teachers with background in one or more of the areas of organic, inorganic, analytical, physical, or biochemistry. Successful candidates should have laboratory and classroom experience with highly motivated students on or above the AP Chemistry level. Applicants must be prepared to make a three-year term commitment. ACS pays an honorarium and most expenses associated with the study camp and the IChO.

Experience with the USNCO is not a prerequisite for selection.

**Interested individuals may obtain an application and additional information at:** [www.acs.org/olympiad](http://www.acs.org/olympiad) or contact: Margaret Thatcher, Program, Specialist, at [USNCO@acs.org](mailto:USNCO@acs.org) or 202-872-6328.

If you are interested please submit an application available on the [USNCO website](http://www.acs.org/olympiad) and your resume by **January 6, 2023**

Applicants must arrange to send three letters of recommendation directly to Dr. Lily Raines, Manager, Office of Science Outreach, Education Division, at [USNCO@acs.org](mailto:USNCO@acs.org) by January 20, 2023.
